Where the Customer is not the controller in respect of the Personal Data, the Customer shall ensure it has obtained the instructions of the controller requiring the Company to process said Personal Data in accordance with the provisions of the Agreement (including Schedule 2).
- 15.4 In processing the Personal Data, the Company shall:

Neither party to this Agreement has been induced to enter into this Agreement by a statement, promise or representation which is not expressly set out in this Agreement save that this clause shall not exclude any liability

which one party would otherwise have to the other in respect of any statements made fraudulently by that party.
